

Preparation Instructions

STAMP-Online Case

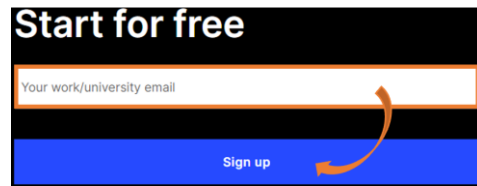

Big Data and Audit

Please follow the instructions
until 11.07. at the latest!

1 Sign-up

Please sign up for the academic version of Celonis using the following link:

<https://www.celonis.com/academic-signup>

A screenshot of a web form titled "Start for free". It features a white input field with the placeholder text "Your work/university email". Below the input field is a blue button with the text "Sign up". An orange arrow points from the input field to the button.

Confirm the email address in the mail you received from Celonis.

Hi,
System invited you to join the team **Academic-tobias-mengede-fau-de**.
Please confirm your email address tobias.mengede@fau.de.

[Confirm Email and Join Team](#)

You will receive access to your own Celonis Intelligent Business Cloud (IBC) workspace, yet, in order to gain access to the data for our case study, it is necessary for you to be added to our workspace. Therefore, please follow steps two and three.

2 Invitation

We kindly ask you to send an e-mail containing your Celonis e-mail with the reference “Celonis STAMP-Online Big Data and Audit” to be provided access to the Celonis workspace to the following e-mail-address: maico.schoene@fau.de

You will receive an invitation to the Celonis team “maico-schoene”.

3 Log-in

Please log-in at the **link below** using the credentials you signed up with:

<https://academic-maico-schoene-fau-de.eu-2.celonis.cloud/>

Further instructions on how to use Celonis will be provided on Thursday, July 14.
